## **COVID-19 Notice to Students and Parents**

This notice is to inform you of the steps the school will take to maintain health and safety, with the understanding that we cannot guarantee that your son(s) being on the De La Salle campus will be free from the risk of contracting the novel coronavirus, COVID-19. We ask that you partner with us in understanding how you and your son(s) can help reduce the risk of transmission by staying current on information about the virus provided by public health officials and experts, and acknowledging that by sending your son to the De La Salle campus, there is an unavoidable risk that you and your son(s) may become infected with COVID-19. We will continue to send out guidance to you as we receive it from our public health experts and authorities. Parents, students, and employees are responsible to familiarize themselves with, and comply with, these county health guidelines:
