## **2018-2019 SCHOOL PROFILE**

De La Salle High School is a private Catholic high school for young men founded in 1965 by the De La Salle Christian Brothers of the District of San Francisco. De La Salle is located 30 miles east of San Francisco and primarily serves students of Contra Costa County. The campus, which lies on almost 20 acres, is characterized by openness and beauty, and can accommodate 1,050 students. Facilities include a 400-seat theater, library, large music facility, gymnasium, pool and athletic field complex, computer center, a student center, STREAM (Science, Technology, Robotics, Engineering and Math) building, and learning center.

The student population reflects the diversity found in the ethnic, cultural, and economic realities of the county, and the school encourages this diversity in the composition of its student body. The school population of approximately 1,050 students is composed of African-American (4%), Latino/Hispanic (15%), Asian (4%), Caucasian (56%), Filipino (6%), multiracial (12%), American Indian (1%), Pacific Islander (1%) other (1%).

Eighty-five dedicated professionals comprise De La Salle's administration and faculty. Four members have earned doctoral degrees, and 51 members have earned master's degrees in their related fields of administration, teaching, counseling, or library services. De La Salle High School is served by a President/CEO. The President offers a school-wide vision and an enabling structure to accomplish the mission of our school. The President works in collaboration with and provides direction for the Vice Presidents who serve as division leaders. The Vice Presidents for Academic Life, Campus Life, Athletics, Advancement, Finance, and Senior Staff for Office of the President constitute the President's Cabinet. In addition, there are six counselors, two of whom are college counselors. The faculty is noted for its professionalism, warmth, support, and availability to students and their parents. The Campus Ministry program involves students of all faiths at every grade level.

The students' families support the school with volunteer time (over 25,000 hours each year), through their participation in the Parent Association, Alumni Association, academic events, the performing arts programs, and interscholastic athletic events. This commitment of parental support is a distinguishing characteristic of De La Salle.

Each year the Admissions Committee considers applicants from approximately 100 parochial, private, and public elementary and middle schools. Enrollment is selective and acceptance is based upon the applicant's performance on the High School Placement Test, academic records, recommendations of the principal, counselors, and teachers, and may include a personal interview. The school seeks to attract students of varying academic abilities from diverse cultural, ethnic, and socio-economic backgrounds. De La Salle promotes positive expectations in a supportive environment for students who can benefit from the Lasallian educational philosophy.

In response to the Lasallian mission to serve students from families with limited financial means, De La Salle provides financial assistance to approximately one third of the student body, 5% of whom receive substantial financial support.

De La Salle is accredited by the Western Catholic Educational Association and the Western Association of Schools and Colleges. De La Salle received a full accreditation during the 2015-2016 school year. The next accreditation visit will be held in the 2021-2022 school year. De La Salle is affiliated with the National Association of College Admissions Counselors, the California Scholarship Federation, the National Honor Society, and the National Education Council of the Brothers of the Christian Schools.

### **Curriculum**

The curriculum is designed to provide a thorough education rooted in the traditions of the Catholic faith. It also seeks to meet the individual needs of each student as they prepare for college and life. The curriculum is coordinated with Carondelet High School, a private Catholic girls' high school located across the street from De La Salle. Many upper-division classes are co-educational. Students are required to enroll in six class periods per day; any additional classes are beyond the minimum.

### **Graduation Requirements**

English .....	40 credits	Social Studies .....	30 credits	Science .....	25 credits
Mathematics .....	30 credits	World Languages .....	20 credits	Fine Arts .....	10 credits
Religious Studies ...	40 credits	Electives .....	25 credits	Physical Education ....	20 credits

### **AP/Honors**

AP/Honors classes are available in grades 9-12 and include these academic disciplines: English, Mathematics, Science, Social Studies, Visual & Performing Arts, and World Languages.

Advanced Placement courses include:

Biology	Environmental Science	Physics C
Calculus AB	French	Psychology
Calculus BC	Government	Spanish
Chemistry	Italian	Statistics
Computer Science	Latin	Studio Art
English Language & Composition	Physics I	U.S. History
English Literature		

College Prep courses are coded "P" or "H" (Honors). Enrollment in honors and AP classes is limited, depending on space available and the individual students' qualifications. In order to enroll in Honors or AP courses, students must meet eligibility requirements and submit an application. Students over the age of 16 may participate in concurrent enrollment at any local community college. Work in Progress on the transcript includes both semester and year-long courses.

**Grade Point Average**

Grade Point Average (G.P.A.) is weighted. Value is given to pluses and minuses. No A+ grades are issued. One extra grade point is designated for Honors and AP courses. Total G.P.A. only includes courses taken at De La Salle. Remedial courses are not included.

**Ranking**

De La Salle does not provide class ranking for its students, but deciles are provided below. Because the school has a selective student body and a college preparatory program, class rank could be misleading in determining a student's ability to successfully complete college work. Any course repeated to earn a higher mark, or any enrichment course taken elsewhere, is noted on the transcript but not calculated into the De La Salle cumulative G.P.A.

Class of 2018 weighted G.P.A. distribution – 6th Semester cumulative grades – 246 students

1st Decile .....	4.10 – 4.57 G.P.A.
2nd Decile .....	3.88 – 4.09 G.P.A.
3rd Decile .....	3.64 – 3.87 G.P.A.
4th Decile .....	3.48 – 3.63 G.P.A.
5th Decile .....	3.31 – 3.47 G.P.A.

- “Major Giving” is defined as gifts of \$10,000 or more.
- 2018 Crab Feed proceeds were not all booked to RE due to change to Eventbrite for registrations. Payments are disbursed as installments leading up to the event and therefore booked directly to FE. (2017 Crab Feed proceeds booked to ‘Events’ totaled \$60,716.60.)
